Berkley CP's Distinct Products Meet the Needs of the Construction Industry

Perform

Annual renewable policies for contractors either on a primary or excess basis. Also available on a project specific basis for various forms of project delivery including design-build, IPD and P³.

Opus

A product designed to protect project owners from subcontracted professional and pollution liability exposure, which includes an updated proactive version of the traditional protective indemnity claims resolution process. Additional policy enhancements are designed to meet the ever evolving and complex requirements of the construction industry.

Harmony

An excess policy that sets the benchmark all other excess insurers should follow with a tone of cooperation and discourse to resolve disputes quickly and effectively to minimize the disruption of a claim.

About Berkley Construction Professional

Berkley Construction Professional is a division of Berkley Alliance Managers which is a member company of Berkley whose rated insurance company members are assigned an A+ (Superior) rating by A.M. Best Company. Berkley is an insurance holding company that is among the largest commercial lines writers in the United States and operates worldwide in two segments of the property casualty insurance business: Insurance and Reinsurance.

Disclaimer: Products and services described above are provided through various surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
